Students United Network: Sponsorship Form

The Students United Network has planned the “Unity in the Community” picnic event on August 10, 2019 from 1:00-5:00 PM to bring together the Coral Springs community. The event will be located at the Tom Messenheimer Field at Sportsplex Park. At Students United Network, our goal is to instill networking, leadership, and life skills that will help teens be successful before, during, and after their high school and college careers. Through organizing this event, we seek to promote interconnectedness in the community and offer opportunities to those who wish to get involved in our network.

This event will raise money for the Keeping Dreams Alive Foundation and Friendship Journey charities.
